MESSAGE FROM POPE FRANCIS.

104th WORLD DAY OF MIGRANTS AND REFUGEES

Dear brothers and sisters!

*"You shall treat the stranger who sojourns with you as the native among you, and you shall love him as yourself, for you were strangers in the land of Egypt: I am the Lord your God"* (Leviticus 19:34).

Every stranger who knocks at our door is an opportunity for an encounter with Jesus Christ, who identifies with the welcomed and rejected strangers of every age (Matthew 25:35-43). The Lord entrusts to the Church's motherly love every person forced to leave their homeland in search of a better future. This solidarity must be concretely

expressed at every stage of the migratory experience – from departure through journey to arrival and return. This is a great responsibility, which the Church intends to share with all believers and men and women of good will, who are called to respond to the many challenges of contemporary migration with generosity, promptness, wisdom and foresight, each according to their own abilities.

In this regard, I wish to reaffirm that "our shared response may be articulated by four verbs to welcome, to protect, to promote and to integrate."
